

Purple Bloom School Summer Camp

2060 12th Ave.
Coralville, IA 52241

For public, private, and home schooled students who completed kindergarten through 6th grade.

Campers will get to experience Purple Bloom's style of learning through hands on experiences and will have a voice in their own learning! Our days will include plenty of time to explore, learn, make friends, create memories, laugh, talk, create, and imagine. Everyone will be loved and welcomed in a kind and warm space.

June 4th to 8th - Shark Tank Week

Small groups of students will team up and create their own "shark tank pitch". Ms Katie and Irakli will be the "investors" as well as a few other community members. The students will learn the basic ideas of running a business. They'll learn from the Wayne Dyer book "Money doesn't grow on trees" and learn the basic concepts of fiscal responsibility.

June 11th to 15th - Invention Convention Camp and Maker's Week

Does your student love to design things? Are they always asking questions, trying experiments, and making discoveries? Then this week is for them! Let them have this week to let their innovative spirit free.

Each camp is \$299.
Drop off 7:00am-8:30am.
Pickup 3:30pm-6:00pm.

June 18th to 22nd - The SMILE That Went Around the World Week

This week our students will learn about the ripple effect. They will get to create pictures, stories, poems, art work, and creative things to mail around the world. They will get to share their love, thoughtfulness, and joy with others who may need some. They'll be mailing to places all over the world to brighten people's day

June 25th to 29th - Kitchen Science Week

Right now many children are requesting slime, goop, and clay. This week they'll get plenty chances to experience these. From making them to using them to storing them. This is bound to be a week of amazing discovery and opportunities for many sensory activities.

July 2nd, 3rd, 5th, and 6th (no 4th) - World Peace Week

Let your student brainstorm ideas for creating world peace. The students will create various plans, talk them through, and put into practice what they choose for peace. This week they'll also have the opportunity to learn to write to legislature members and various political officials to let their voice be heard! Becoming an advocate for their peers and their generation is a major part of this week's camp.

July 9th to 13th - Reiki for Kids Week

Our children have amazing abilities. This week we will walk the children through the practice of reiki so that they have yet another tool for self care. They'll learn some basics of meditation, reiki, and relaxation from a Reiki Master. This strategy will become a life long skill that they'll use at any place and any time to feel calm achieve inner peace.

July 16th to 20th - Fitness and Sports Sampler Week

This camp is designed to introduce many types of exercise including aerobics, strength and flexibility, yoga, yoga asanas and walking. Also, the sports basics of basketball, tennis, football, baseball, and soccer will be taught. This class will just be an intro to each of these activities. Its designed to show these activities are for everyone, every level, and can all be fun.

July 23 to 27th - Creative Cooking Week

Students will learn about healthy options they can make in the kitchen. They'll also get to experiment with their own types of recipes. Learning kitchen safety from a young age is really important. The students will get to pick what they cook. The first day of camp everyone will vote for what they want to make each day and then create a shopping list and the ingredients will be provided.

July 30th to August 3rd Abundance, "There is More Than Enough" Week

This week we'll teach the children the power of abundance. Learning a mindset of gratitude will help them see the abundance in the world. This week the students will find gratitude in what they have and learn to balance that with what they can share. The students will also get to create some of their own pottery.

August 6th to August 10th - Thoughts Become Things! Week

This week the students will learn all about the power of manifestation. They'll learn that their thoughts they focus on in their minds and repeat to themselves plays a great part in the results they get. We will teach the children about being very intentional about their thoughts. Each student will get plenty of chances to share their thoughts as well as practice these skills. This class is inspired by the movie "The Secret".

August 13th to 17th - Talent Show Week

This camp is for students who like to perform and students who don't. They will all participate from making the scenery, to setting up the performance space in a teamwork setting. They learn confidence on stage skills as well as the equally important "behind the scenes" roles. Friday night, August 17th at 6:00pm will be our talent show for our community held at our school.

How to Register:

To register please email katie.tsilosani@purplebloom.school.com or call the school at (319) 338-3873 or Ms Katie at 319-431-4604. Each camp is \$299, except World Peace Week which is \$239.

Pay for Camp:

After you register, an invoice will be sent to you. You are able to pay for the whole camp at once or pay 50% now and the other 50% due by June 1st. You can pay via electronic invoice or with a check. There are no refunds given for any reason for any camp after April 1st. After the 50% of the camp is paid for, a spot will be reserved for your student. Until at least 50% of the camp tuition is processed, the child will not be guaranteed a spot.
