

Employee Training

Email certificates to Lisa.Montz@purpleblossomschool.com after completion.

Universal Precautions:

- <https://www.extension.iastate.edu/humanosciences/universal-precautions>

The screenshot shows the Iowa State University Extension and Outreach website. The header includes the university name, navigation links (Home, Family, Food, Finance, Focus, Courses and Training, Events), and a search bar. The main content area is titled "Universal Precautions" and includes a description, intended audience, format, and certification information. It also features a "Sign up" section with instructions and a "Need help?" section with contact information. The footer contains copyright information, contact details, and links to various resources.

Mandatory Reporting:

- <https://lsglm700.learnsoft.com/lsglm/login/iowalogindhs.aspx>
- Click on "External Mandatory, Reporters Click Here" to create your user account for access to mandatory reporter training.
- Watch video on how to register for Mandatory Reporting.

The screenshot shows the login page for the Iowa DHS Learning Management System. The background features a night view of the Iowa State Capitol building. The page includes the Iowa.gov logo and the Department of Human Services logo. The main heading is "Welcome to the Iowa DHS Learning Management System". Below this, there are input fields for "Username" and "Password", and a "Login" button. A link for "Forgot your password" is provided. At the bottom, there are instructions for different user groups: Internal DHS and State of Iowa Employees, Child Welfare Contracted Providers, and External Mandatory Reporters.

Essentials

- <https://www.extension.iastate.edu/humanosciences/essentials>

The screenshot shows the Iowa State University Extension and Outreach Human Sciences website. The header includes the university name, a search bar, and navigation links. The main content area is titled "Essentials Child Care Preservice" and includes a description of the series, intended audience, format, and certification. It also lists features, sign-up instructions, frequently asked questions, handouts, and ages and stages. On the right side, there are boxes for "Already enrolled?" with a login button, "Need help?" with contact information for the Essentials Help Desk and technical questions, and "Other courses" with information about local face-to-face workshops.

Essentials Child Care Preservice

This series provides helpful answers to many questions about creating a safe and healthy early childhood environment, preparing for an emergency, transporting children, preventing and controlling infectious diseases, handling and storing hazardous materials, giving medication, managing food allergies, creating a safe sleep environment for infants, preventing shaken baby syndrome, understanding child development, supporting cultural diversity, and understanding homelessness.

Intended audience: Early childhood providers, teachers, and directors
Format: Self-paced online series; 12 topics available
Certification: Approved for Iowa Department of Human Services (DHS) Child Care Professional Development Credit

Features

- No cost
- Participate at any time, 24/7
- Choose to complete only one module or the entire series of modules in any order. View a [complete description of each module](#).
- Receive a professional development certificate for each module completed, up to 12 hours total.

Sign up

To participate in the online course:
